The screenshot shows the HSBC Australia website for Home Value Loans. The header includes navigation links for Personal, Business, Global Banking and Markets, and Private Banking, along with flags for Australia, English, Register, and Log On. The main navigation bar lists Banking, Credit cards, Borrowing, Foreign exchange, and Online banking. The hero section features a black and white image of a dining table with a white box overlay containing the text 'Home Value Loan', a sub-headline 'When the world comes knocking, invite the world to dinner. Thanks to our low variable rate.', and an 'Enquire now' button. Below the hero section is a breadcrumb trail: HSBC AU > Home Loans > Home Value. The 'Why choose a Home Value Loan?' section highlights a competitive variable rate and a personal HSBC Relationship Manager, with a checkmark icon indicating 'Unlimited free extra repayments'. A 'Promotional Offer' section states the rate is based on an Owner Occupied Interest Rate (Principal and Interest), showing 2.65% p.a.\* and 2.66% p.a.
