The screenshot shows the Suncorp website's 'Car Finance Guide' section. The header includes the Suncorp logo, navigation links for Banking, Insurance, Super, and About Us, and a search bar. The main content area features a large image of a family in a car, with the text 'Navigating your way through Car Finance'. Below this, it states 'We can help you get approved - and on the road faster - with this step-by-step guide.' and includes two award logos: 'EXPERTS CHOICE 2018' and 'CANSAR'. The 'Step 1' section is titled 'Work out how much you can afford' and provides a link to a 'personal loan borrowing capacity calculator' and a 'loan repayment calculator'. It also mentions that Suncorp offers award-winning car loans with low rates and no hidden fees, and that Home Package Plus home loan customers can save even more.
